SECTION 8: Exposure controls / personal protection..

8.1. Exposure limits

Substance	WEL 8-hr limit ppm	WEL 15 min limit ppm.	WEL 8-hr limit mg/m3	WEL 15 min limit mg/m£
	-	-		-

8.2 Exposure controls.

Engineering controls.	Ensure working area is adequately ventilated
Personal protection measures.	Wear protective clothing.
Eye/face protection.	Wear suitable eye protection.
Skin/hand protection.	Wear protective gloves.
Respiratory protection.	Wear suitable dust mask .

SECTION 9: Physical and chemical properties.

State	Powder
Colour	White or Off white.
Odour	Mild odour.
Viscosity	n/a
Solubility in water	Insoluble in water.
Flash point	n/a.
Boiling point	n/a.
pH	n/a.

SECTION 10: Stability and reactivity.

Stability.	No particular stability concerns.
Materials to avoid.	n/d
Conditions to avoid.	n/d

SECTION 11: Toxicological information.

11.1.1. Information on toxicological effects

General information	This product has low toxicity. Only large volumes may have adverse effects on human health. Repeated exposure may cause chronic eye irritation, mild dermatitis, allergic skin rash.
---------------------	--

SECTION 12: Ecological information.

General information.	Current available information indicates that this product does not contain ingredients classified as Dangerous to the Environment. Not classified as Toxic or Very Toxic to aquatic organisms, but may be dangerous to fish at high concentrations due to this being an unnatural aquatic environment.
----------------------	--

SECTION 13: Disposal considerations.

General information.	Dispose of in accordance with local and national regulations and legislation.
----------------------	---

SECTION 14: Transport information.

Hazard pictograms.	Not classified as dangerous for carriage.
--------------------	---

SECTION 15: Regulatory information.

Labelling

Symbols	The product is classified in accordance with 67/548/EEC Xi Irritant 
Risk phrases.	R36: Irritating to eyes. R34: May cause sensitisation to the skin.
Safety phrases	S24/25: Avoid contact with the skin and eyes. S26: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. S37: Wear suitable gloves. S60: This material and its container must be disposed of as hazardous waste.

SECTION 16: Other information.

Text of risk phrases in Section 3	R37/38: Irritating to respiratory system and skin. R41: Risk of serious eye damage. R43: May cause sensitisation by skin contact.
-----------------------------------	---

Further information	The information supplied in this Safety Data Sheet is designed only as guidance for safe use, storage and handling of the product. This information is correct to the best of our knowledge and belief at the date of publication; however no guarantee is made to its accuracy. This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any other process.
